All Captains (both winning and losing) are responsible for:

- Using the report match results form on the web site to report match results *within 24 hours of the match start time* (click on "Report Match Results" at scvda.dartspub.net). *Penalties will be assessed based on computer timestamps!*
- It is recommended that captains hold onto score sheets for the entire season. These will be used for reference in the event that any reported results are challenged.
- It is also recommended that captains review opposing team sheets for accuracy at the end of the match. Once online statistics are posted, captains should review each week's match to ensure accuracy. Discrepancies should be reported to compsecretary@scvda.com or boardplus@scvda.com before the next league match.
