We reviewed the details for the agenda for the membership meeting.

Thomas to discuss format changes:

- reinstating postponements
- reinstating play offs for all divisions
- 100% online reporting by all captains

Axe to provide a detailed financial update to the membership

Axe to email latest financials to the board.

Thom to give updates on the fall season sign ups - likely no Wednesday A division and discussion fall elections - no nominations = unopposed ticket is elected at the captains meeting on 8/28

We talked about the work Jason McGuire is doing as SCVDA EI (Equipment Inspector)

We discussed the fall season schedule and format given the likely scenario that there is not enough A league teams signing up to run a Wednesday night A division. As a contingency plan, we agreed that we'd incorporate the (2) A teams willing to sign up and throw on Thursday in the Thursday evening divisions. As a result teams would be broken out into the 3 divisions for Thursday night.

We finalized details for the **scheduling / captains packet meeting** which will be held on **8/23 at [Courts Lounge](#) in Campbell at 1pm.**

We discussed the 3rd Saturday tournament for 8/16.
