All Captains (both winning and losing) are responsible for:

- Using the report match results form on the web site to report match results *within 24 hours of the match start time* (click on "Report Match Results" at scvda.com). Penalties will be assessed based on computer timestamps!
- Any match postponement requests must be requested from the opposing captain and sent to the Board no less than 24 hours in-advance. That match must be played prior to the next regularly scheduled match listed on the schedule. Failure to adhere to these requirements can/will result in a forfeit to the team who requested the postponement.
- These will be used for reference in the event that any reported results are challenged.
- It is also recommended that captains review opposing team sheets for accuracy at the end of the match. Once online statistics are posted, captains should review each weeks match to insure accuracy. Discrepancies should be reported to compsecretary@scvda.com or scvda-board@googlegroups.com prior to the next league match.
